She is primarily known for her fine hand-quilting and hand appliqué; however her interests are not limited to these. She takes her inspiration from antique quilts but makes them her own with colors and design. She has many prize-winning quilts including hand quilted whole cloth, appliqué and pieced. Her quilt "Whigged Out on the West Coast" was in QNM 2004 Wall Calendar. She will be sharing her quilts in a trunk show where first hand we can realize the many talents of our talented speaker.

## President's Message With Love

Last September when I realized that for the next year not only would I be the President of our wonderful guild, which in itself was overwhelming, but I would also have to come up with a newsletter article each month, I thought - OH MY GOSH - what in the world will I say. I have never had to do such a thing and thought this is going to be the hardest part of this position. The first article seemed very hard to put thoughts onto paper, but today as I sit down to write, I feel this is the hardest because it is the last. A year seems like such a long time, but you can't imagine how fast it has gone.

Of course, my name goes at the top of the Board list as President, but the honors of having such a successful, smooth running guild, goes to all those other names on the Board roster. They made me look **soooooo** **goood** and yet they are the ladies who deserve thanks and praise. From the Executive Board to the Standing Committees and down through the Special Committees, I can't thank them enough for their hard work, always being there for me and for you and their dedication to this guild. They in turn sent out the call for volunteers to help with their committees and of course, **YOU** didn't let them down.

All of us working together make Beach Cities Quilters Guild such a success. Our special event this year was the hugely successful Spring Tea and Tour thanks to Marilyn and Patti and all their committee members. Thank you to Sandy, Becky, Kimber and Sherry who opened their sewing rooms (and entire homes) for us to visit. Jhone and Sherry made the Challenge a **real challenge** with their fabric picks, but we had the largest display ever with not only quilts, but jackets, bags, book cover, tea cozy and bird houses. WOW – what a display. Thanks to all of them for their hard work.

The overwhelming feeling of being President will always be with me. It has been an honor to serve you and a year I wouldn't trade for anything. Once I turn the gavel over to our new president, I know it will feel a bit strange sitting in the audience, but it will be nice to relax for at least a few months. Then the daunting task of being Past-President will hit as I plan for a President's Quilt!

*Thank you all for a wonderful year.  
Thanks For The Memories.*

*With much love,  
Pat*

### Nickel Club

We've had a lot of fun exchanging nickel squares this year and hope you have too. We're planning another year of swaps and appreciate all who stopped by to give us their suggestions for the upcoming year. September's swap will be 1800's and/or Jewel tones. October's swap will be Batiks and/or Fall fabrics (not Halloween or cutesy). You will find a complete listing of nickel square fabric selections for the 2005-2006 year in your October Newsletter. If you're new to BCQG the Nickel Club is a monthly exchange of 5" squares of pre-washed, quilt-shop quality fabric. We exchange 15 pairs (30 total squares). It is optional and you can join anytime. For more information and a complete list of exchange guidelines you can contact Delane Turner or Veronica Dibble. Look for the Nickel Club sign at the meeting to drop off and pick up your exchanges.

## FANTASTIC WORKSHOPS

### September 9th, Friday: Andrea Perejda's "Circle of Illusion"

Can you believe this fantastic circle illusion is created with strips of fabric?! Whether you are a beginner or, an advanced quilter, you can do this workshop. Andrea will teach you her surprisingly simple method to achieve this wonderful optical illusion. There is "homework" that needs to be done so that you can see your circle take shape before your eyes during the workshop. The workshop will be held @ Leah's: 10:00 a.m.-4:00 p.m.

### October 1st, Saturday: A Bus Trip to the "Old Town Temecula" Outdoor Quilt Show

Let's go on a Bus Trip to Temecula together! Valley of the Mist Quilters Guild will display over 150 quilts on Old Town's Front Street, Between Moreno & Santiago Streets.

FREE Admission to the show. Small Quilt (24"x24" or smaller) silent auction from 10:00-1:00 p.m., live Large Quilt Auction from 1:30 p.m. (Proceeds of Live Auction benefit "Hugs Foster Family Agency") COST: \$18.00 pre-paid (non-refundable). Includes: driver tip, snacks & drink on return trip. TIME: 8:15a.m.(at lot) - return to lot @~4:00p.m. Meet @ Park & Ride lot off Junipero Serra Exit, on the East side of the 5 FRW.

Please call **Lorna Barrowman** or **Paula Omidyar** for the September sign-ups.

## GIRL SCOUT HELP

Several weeks ago I sent out a message to members about Ashley Soo, a senior Girl Scout from Troop 887 in Irvine, who is working towards her Gold Award, the highest honor in Girl Scouts. Ashley has contacted us to help with the collection of supplies for her Mercy Kits for Mercy Airlift, the worldwide humanitarian aid and logistics organization. **The deadline for turning in the supplies had been August 31 but the deadline has been extended to September 30.** If you had wanted to donate but forgot to bring your items to the August meeting, don't fret. **Philanthropy will have a bin at the September general meeting on September 8<sup>th</sup>.** The items Ashley requests are:

- ◆ Fabric (Philanthropy has put together fabric in their stash not suitable for quilting but if you have some you want to include that would be fine)
- ◆ pair of scissors
- ◆ 1 package of needles
- ◆ 4-6 large or 10-16 small spools of thread
- ◆ 8-12 buttons
- ◆ 1 thimble

Please bag these items (rather than just dropping individual items in the Philanthropy bin).

That will make collection and distribution much more efficient. Ashley came to our August meeting with her mother, Cindy, and they were absolutely amazed at the number of quilters who attend our meetings.

You ladies have stepped up to the plate and as always have been extremely generous. I know several ladies expressed dismay that they had forgotten to bring their donations (myself included). Please remember to bring your items to the September meeting.

## Monthly Mini

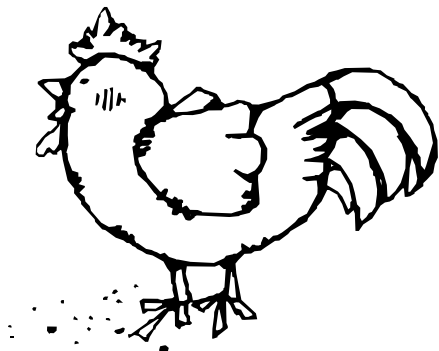

August's Monthly Mini was created by Julie Greenspan, using a pattern from "Stitch and Split Applique," by Jayne Crow and Joan Segna.

Julie has been quilting since 1992 and joined BCQG a few years later when she finally got up the courage to think she might actually belong! Newsletter Editor is her latest gig (this article was written four days past the deadline) but she's also enjoyed other high ranking guild positions such as Holiday Rummage and Elaine Pappas-Puckett's personal go-for.

Having never considered herself creative or artistic, quilting has open up a whole new world where mistakes add interest and the process is as exciting as the final product. In quilting she's inspired by the saying "Aerodynamically . . . the bumble bee shouldn't be able to fly, but since he doesn't know that . . . he just flies anyway."

When she's not quilting, Julie is *attempting* to raise her three children, Kiefer, Gage and Paisley and keep husband Scott from finding out just exactly how much a yard of fabric costs!

Congratulations to Bettie Blauser this month's winner!

## ONLY A QUILTER

We've all heard the classic line that only a quilter would take yards and yards of material, cut it into little pieces and then sew them back together again. While this statement is true and a little funny to think about, it doesn't even scratch the surface of the things that only a quilter would do.

**Only a Quilter** would spend more hours sewing several hundreds of buttons on a quilt to embellish it, but wouldn't take five minutes to replace a button on a pair of pants.

**Only a Quilter** would give the gift of a wedding quilt two months after the birth of the couple's second child.

**Only a Quilter** would put hundreds of dollars worth of fabric into her fabric stash because she might find a use for it sometime, but wouldn't replace a 50-cent needle on her sewing machine.

**Only a Quilter** would let three later-arriving patients go ahead of her at the doctor's office because she is on the verge of completing a block.

**Only a Quilter** would rush to finish a gift quilt. Not so it's done in time for the recipient's birthday, but so it's done in time for Show and Tell.

**Only a Quilter** would make a special quilt to give to her son, who would then have to attend quilt shows just to see it.

**Only a Quilter** would use freezer paper in the production of something to keep someone warm.

**Only a Quilter** has a welcome mat at the door to her home and an "Enter at Your Own Risk" sign on the door of her sewing room.

**Only a Quilter** invites everyone to see her sewing room, then says, "Don't look at the mess."

**Only a Quilter** says, "I really don't need another project," then offers to make a quilt for a friend.

**Only a Quilter** will buy more than she'll ever need of one fabric for her stash, but slightly less than is needed of another fabric to complete a project.

**Only a Quilter** would give a quilt book to the guild auction then bid on it to get it back.

**Only a Quilter** would drive 40 miles in a hurricane to attend a quilt show, but call out to have her dinner delivered because it is drizzling.

**Only a Quilter's** family would put up with, understand and love a quilter

## FRIENDSHIP CIRCLES

As our year working with Friendship Circles comes to an end, we look back and are so happy that we had a part in forming three new friendship groups who are actively meeting and having a ball. We've also placed several of our members in existing groups and we get feedback each month about all the fun they are having.

Speaking from experience, we know that the best reason to join a friendship group is the lifelong friendships you will make. It's great how women with such different personalities, backgrounds and ages can become such good friends.

If you are not yet part of a friendship group, come by the table see how easy it is to join the fun.

## BLOCK PARTY

The sunflowers were in full bloom at our August meeting. We had six lucky winners! They are: Barbara Cotter, Betty Korleski, Helen Brassaw, Vanda Bresnan, Betty Koskinen, and Eileen Hecht. We look forward to seeing the bouquets you make from these wonderful blocks.

"**THINK PINK**" is the theme for September's block. These stars have a woven look when put together. Please use a "**Bright Pink**" (not hot or mauve). This block is unique (not hard) so please call if you have any questions. You can't WIN if you don't play!

## HOSPITALITY

**Mahalo** to the Stuff N Stitch Friendship Group for hosting our **August** meeting. Great summer theme with the pineapple center piece and the leis. Also, the fresh fruit in the carved watermelon was special treat. Sure put us all in the vacation mood to escape to a far away island. We really appreciated all their help getting things set up and put away after the meeting.

Maholo, also to everyone that brought in goodies. It was a great spread. Loved that "tomato (?) pie." Could we have the recipe?

**September** Hospitality Table will be hosted by the sewing gals from Material Possessions. We are looking for hostesses for **October, November**, etc. Remember you receive an extra door prize ticket for hosting and one for bringing in a goodie. Any questions please contact one of us.
